

1. As a resident of the local community I appreciate being able to listen to K-LOVE. 2. I do not know what would replace KLOVE, but I doubt it would provide the "positive and encouraging" words and music of KLOVE. 3. The service provided by KLOVE is in the public interest because this is a rough and tough world we live in. Hearing about the love and peace that is available to all gives us strength to carry on.
